CSKT-Lake County Unified Command Center (UCC) -- If you are returning from any travel outside of the state, there is a state directive that requires a self-quarantine for 14 days. In the Mission Valley, many people return from snow birding elsewhere. Following this self-quarantine directive will protect our community, our health care system and protect against the spread of COVID-19. Thank you for doing your part in keeping us all safe. The state directive will remain in place until April 10, 2020.
